NBA VETERAN SCOTTIE PIPPEN AND NAPA WINE LEGEND DAVE PHINNEY TO DELIVER KEYNOTE ADDRESS AT WESTERN FOODSERVICE & HOSPITALITY EXPO

Trade Show and Conference Taking Place August 28-30 in Los Angeles, CA

LOS ANGELES, CA, May 10, 2022 – Clarion Events Food & Beverage Group is thrilled to announce a dynamic keynote discussion that has just been added to the line-up for the upcoming Western Foodservice & Hospitality Expo. On Sunday, August 28 at 1:45 pm Scottie Pippen, NBA veteran and world champion and Dave Phinney, Napa wine legend and creative mastermind behind Savage & Cooke Distillery, will take Center Stage to discuss **Wine, Whiskey & Winning**. The panel will be moderated by Nightlife & Hospitality Expert Art Sutley in the exhibit hall at the Los Angeles Convention Center. Pippen will then stay to help judge the Hip Sip Competition: Bourbon Edition which will feature the duos new Digits Bourbon brand. For more information, visit www.westernfoodexpo.com.

“We invite all restaurant, beverage and foodservice professionals to join us for this must-attend event, which will highlight how Phinney and Pippen became all-stars in their respective fields, with a love for bourbon bringing their paths together. Show participants will uncover how integrating craft spirits into beverage programs can meet the demand for spirits, increase bar revenues and craft new cocktails,” said Rita Ugianskis, Vice President, Clarion Events Food & Beverage Group. “As a team, Phinney and Pippen share a strong, competitive nature for delivering Digits Bourbon, a quality bourbon that will ignite any on-premise location’s offerings.”

A 17-year NBA veteran, **Scottie Pippen** played in 1,178 games and averaged 16.1 points, 6.4 rebounds and 5.2 assists and 1.96 steals during an illustrious career that placed him among the NBA's 50 Greatest Players of all-time in 1996 and brought the Bulls six NBA World Championship titles (1991-93, 1996-98).

Pippen led his teams to postseason appearances in each of his first 16 seasons and compiled NBA Playoff averages of 17.5 points, 7.6 rebounds, 5.2 assists and 1.96 steals in 208 games. At the time of his retirement, Pippen's 208 career playoff appearances ranked second in NBA history behind Kareem Abdul-Jabbar's 237. During his 12 years in a Bulls uniform, the 6-8, 228-pound forward/guard affixed his name at or very near the top of every major statistical category in franchise history. At the time of his retirement,

Pippen was the team's all-time leader in three-point field goals (664) and three-point field goal attempts (2,031), and ranked second in 12 other categories.

Dave Phinney has a colorful, storied history in the craft beverage world. Twenty years ago, he took a friend up on an offer to spend a semester “studying” in Florence, Italy. This trip sparked what would

become lifelong passions – history, agriculture, winemaking and the profound act of turning something from the earth into a beverage. After this epic trip, Dave moved to the Napa Valley and landed a job at the Robert Mondavi Winery in 1997 as a temporary harvest worker. He decided that if he was going to work this hard, it would eventually have to be for himself. So, in 1998 he founded his first brand with two tons of zinfandel and not much else. He spent the next decade making wine for others as well as himself and has since grown several companies into multinational brands. During this time, Dave also became increasingly interested in spirits. In 2016, Dave started the Savage & Cooke distillery. He applied all that he learned over the

years in winemaking and took a very different approach, notably finishing all of his spirits in wine barrels from his collection of projects. Dave decided to base Savage & Cooke on Mare Island, which is renowned for its rich history and architecture.

The keynote will be moderated by **Art Sutley**, Nightlife & Hospitality Expert, and one of the industry experts behind *Bar Business Magazine*. As an educator in the industry, he speaks at many of the top restaurant and cocktail tradeshow globally. Art has appeared on the Paramount Network’s hit TV Show *Bar Rescue* as a Recon Expert assisting host and industry expert Jon Taffer. Most recently Art has joined the team at Savage & Cooke Distillery.
